MEN’S HEALTH SEMINAR
Dr. Aaron E. Katz
COURSE DIRECTOR

“Let’s Keep Our Dads Alive!”
JUNE 17, 2017

GARDEN CITY HOTEL
Garden City, LI, NY

What are the new recommendations to treat prostate cancer?

How can I prevent heart disease, strokes, dementia and cancer?

Engage with specialists who want you to lead healthy and productive lives.

Live Longer, Live Better!

This Father’s Day, give the gift of health by joining us for the 2017 Men’s Health Seminar. You and your loved ones are cordially invited to learn how to improve your health and lifestyle. Find answers by joining Dr. Aaron E. Katz and a panel of experts, including Dr. Joel Fuhrman, board-certified family physician, six-time New York Times best-selling author, and internationally recognized expert on nutrition and natural healing, who specializes in preventing and reversing disease through nutritional methods.

Register today to arm yourself with the knowledge to live healthier and longer lives.

REGISTRATION TODAY!

Tickets for the 2017 Men’s Health Seminar can be secured online at www.menshealthseminar.com.
Eat. Drink. Learn.

One in six men will be diagnosed with prostate cancer in their lifetime. Many others will be debilitated by stress and physical inactivity. With such widespread prevalence of preventable conditions, it is no wonder that many people have questions.

This June, Dr. Aaron E. Katz invites you and your loved ones to learn more by attending the 2017 Men's Health Seminar. This event will be held at the Garden City Hotel, in Garden City, Long Island, NY.

Attendees will partake in informative sessions addressing the conditions of prostate cancer, prevention of heart disease, strokes, dementia and cancer, sexual dysfunction, and learn about the benefits of good nutrition. Seminar attendees will then be encouraged to engage in interactive “Ask the Doctor” sessions. Refreshments will be provided in the form of continental breakfast, lunch, and coffee breaks.

Date: Saturday, June 17, 2017
Time: 8:00am - 4:15pm
Location: Garden City Hotel
45 7th St
Garden City, NY 11530
Course Director: Dr. Aaron E. Katz
Attendees: 300
Cost per Attendee: $50

NEW THIS YEAR...
The effects of diabetes and high blood pressure on your kidneys, the role of physical therapy as treatment for lower back pain, urinary incontinence, managing your medications, and treatment options for bothersome urinary symptoms.
